**REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 CFR 1.322**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In accordance with 37 CFR 1.322(a)(1)(i), it is requested that a Certificate of Correction be issued in the subject U.S. patent to correct a mistake in the patent, which mistake was incurred through the fault of the Patent Office, and which mistake is clearly disclosed in the records of the Patent Office.

In the subject application, there was issued a Response to Rule 312 Communication on June 28, 2007. That Response set forth, in an Examiner's Amendment, a new independent claim, claim 64, which replaced prior independent claim 31, the sole independent claim then pending in the application. The sole independent claim in the issued patent, claim 1, does not reflect the language set forth in new claim 64, as set forth in the Examiner's Amendment.

It is requested that claim 1 of the issued patent be amended to comply with the language of claim 64, as set forth in the Examiner's Amendment of June 28, 2007. No fee is believed to be required in connection with this request.

Issuance of the Certificate of Correction is respectfully requested.

AUG 23 2007

Respectfully submitted,

Uwe Johann RIEDEL
